An opportunity of historic proportions from the S A V Blackcap May 273 donor. Stay ahead of the curve and be part of the first calf crop of the \$1.51M world record selling Herbster-Schaff sire, S A V America 8018. On top of that, the resulting heifer calves will be maternal sisters to the \$600,000 ZWT-Siebring donor, Siebring Blackcap May 473. What a way to launch your program ahead in 2020.  
**Included in the winning bid is the recipient dam. Guaranteed to check pregnant at 90 days. Recipient dams are located at Transova, Sioux Center, Iowa and are FOB.**
