ADDED LOTS

LOT 47X

Miss Isabelle is an incredibly powerful female. There has not been a Simmental created that is as completely sound and functional as she is. She stands on a huge foot with perfect flex to her joints and can move across the ground with grace and ease. She carries tremendous volume in the center portion of her body and the expression of muscle she exhibits is second to none. This is a big time donor prospect.

LOT 48X

We have two full sisters to Vanessa that will hopefully fill the void she is leaving in our breeding program by being offered for sale. Incredible prospect here. She is completely sound in every way. Good through her spine and down her top she exhibits everything needed to be successful in the show ring and the donor pen. The Angus side of this pedigree is awesome with SITZ Alliance 6595.
