

# The Springtime REVIVAL

# Update Sheet

**SUNDAY, APRIL 9, 2017**

## **SALE TERMS**

Please register with the clerks at the settlement desk. Payment by cash, check or credit card is expected on sale day. For those who choose to pay with a credit card, a 3% Convenience Fee will be added to your invoice. Request for billed accounts must be approved by sale management. Billed accounts are due in full ten days following the sale (April 19, 2017). Cattle will not be permitted to leave the premises until payment is made.

## **SEMEN & EMBRYO SHIPPING**

All semen and embryo packages are on site with the exception of the lots noted below. Packages on site may be picked up today upon full payment. Shipping arrangements and cost of shipping are the responsibility of the buyer. Contact the consignor directly within 30 days of the sale (by May 9, 2017) to make shipping arrangements. Consignors cannot be expected to store semen and embryos for you longer than 30 days unless you have personally made arrangements with them to do so.

South River Genetics will store and ship semen and embryos that are purchased from the Springtime Revival. Storage fee is \$30/month. Semen and embryos will be shipped at cost, plus a handling/shipper tank fee of \$25.

## **ISSUES THAT MAY ARISE**

Issues with purchases sometimes arise after the sale. Steve and Julie French and each Revival consignor stand behind the lots selling today as offered in the catalog and on this Update Sheet. Should you have a problem with your purchase please contact Steve French (989-798-8223) promptly and he will contact the consignor. Together, we will make every effort to resolve the issue on behalf of both buyer and seller.
